

Rummey's in Romania

Committed to serving
and equipping
national church leadership

Dear Friends,

December, 2018

Christmas is a wonderful time to reflect on God's plan for mankind and all that He has done for us in sending Jesus into the world to be our Saviour. As we celebrate, wherever we are in the world, let's remember to share the reason for the season!

We praise the Lord for the good team meetings in November. We were able to do some planning for the future. We are thankful for wisdom and direction from the Lord as we lead this large team.

The Bible course on the Holy Spirit and spiritual gifts went well in a restricted access country and Mike was encouraged as he shared from the Word and was able to instruct the students in their walk with Christ. Please pray for the translator and his wife as they are expecting twins in about a month.

We are thankful for the Christmas season during which we have opportunities to reach people with the message of Christ. We will be assisting in distributing shoebox gifts supplied by some British people. As well as the gift distribution, please pray for the following Christmas programs and outreaches in December in our area:

- 15 – children's outreach in Tulcea
- 22 – Dunavat – presentation for parents and others from the village
- 23 – Luncavita – presentation by the church and children for the community. Please pray for a good response from the community.
- 25 – Luncavita - Christmas day service

Upcoming Home assignment: as we mentioned in our last update, Lord willing, we will be in Canada from January 24 – April 30, 2019. Praise the Lord with us as He has provided a vehicle and housing for two of the three months! We look forward to connecting with many individuals as well as our supporting churches we were unable to visit last time.

THANK YOU for being a vital part of the Lord's ministry here in Romania! We could not do what we do without YOU!

With the hope of eternity,

Mike + Mary Lou

P.S.: If you have an email address please write to us as you can get our update with colour pictures.
